PLNL ASSISTS WITH FLOOD RELIEF

During the period August – November 2022 Trinidad and Tobago experienced unprecedented high levels of rainfall which resulted in heavy flooding across the islands.

PLNL partnered with Habitat for Humanity Trinidad and Tobago (HFHTT) in August and November 2022 to provide cleaning kits to citizens severely affected by flooding.

Additionally, PLNL also partnered with the Supermarkets Association of Trinidad and Tobago (SATT) in November to assist with the provision of meals and food hampers to citizens adversely impacted by the floods.
